

KIT B 200

(HIGH VOLTAGE)

SLIDING GATES OPERATOR FOR MAX 600 KG WEIGHT

- Sliding operator available for up to 600 kg in ac (high voltage) 230VAC - 115VAC version.
- Magnetic limit switches.
- Control board 230VAC (easy to program whit LED display).

OPERADOR PARA PUERTAS CORREDIZAS HASTA 600 KG

- Operador para puertas corredizas disponible hasta 600kg con alimentación ac (alta tensión 220 V - 110V).
- Fin de carrera magnético incluido.
- Central de mando for 230V versión equipada con pantalla

TECHNICAL SPECIFICATIONS CARACTERÍSTICAS TÉCNICAS

Motor power: 230V
Alimentación:

Max leaf weight: 600kg
Peso máximo anta:

Operating Temperature: -20°C
Temperatura de trabajo: +55°C

Fondation plate optional
